## WELCOME TO TRINITY LUTHERAN

We continue to proceed in the reopening process and adding to our worship services. We have had to make some changes along the way and we are all working on making readjustments. Some things will probably have to stay changed and other things will return to something similar to what we have done in the past. We thank you for your help in making things go as smoothly as they have and hope that your worship life will be blessed by God's abiding love.

## HOW DOES COMMUNION WORK?

Right now we have adapted the way we celebrate and distribute Holy Communion. Currently, we are using special communion kits. These kits are packaged with a sealed wafer and sealed wine or grape juice. We ask worshippers who will be communing to pick up one of these communion kits as they enter the worship space. We will remain in our seats and all commune together. Our invitation to commune with us is: All those who have been Baptized and affirm, with us, that Jesus is truly present in, with and under the bread and wine are welcome to participate in the sacrament of Holy Communion.

If you have questions about communion or if you are not baptized the pastors are available to visit with you.
